Game Interior

Once you attempt to enter a dungeon you would see that there's a side quest dialog box, an important

element of the character's storyline. You can read it by pressing Y. You can then click the conversational button to accept and begin your adventure. While you're doing so, the title screen will disappear.

Game Description:

As you search for the fate and fate of the power of the Elden Ring, you will find out about tales of past heroes. However, it is terrible that the history of the Elden Ring goes only back to the time of the Prophet, and is known to only a few people. So, do not lose your way, and choose your destiny.

How to Enter the Great Fantasy World A fairytale without betrayal or death. The tale of a youth stricken with growth fever, revived by a benevolent spirit. The life of the hero is full of cruel traps and mysteries. In this game, the items and equipment of the hero are obtained by defeating monsters and characters. For this adventure game, you need to collect the five gear sets necessary for the hero's development. In the first stage, you need to collect five equipment sets before entering the Great Fantasy World. Please note that the items can be obtained only once, and the

game will be over if the set you collect cannot be used for a certain period. Before the first equipment is collected, you can also enjoy a useful skill for free. Please collect the items required for the hero's development in the order of difficulty. As you progress through the game, you will be rewarded with valuable items for use in the next game stages. The hero is developed by capturing monsters and characters in the game. This game has a complex combat system in which you can use combinations of different actions, such as attack, weapon, and magic. Gameplay is divided into three stages. You can freely select which order to collect the gear sets required for the hero's development in the first stage. As the game progresses, you will have various options depending on the equipment you have collected. Although you will have only one set for that, you can freely swap the equipment you equip. You can freely decide on whether to equip weapons, magic, and armor. During battle, you can use the various items you have

to fight enemies effectively. When you fight a dragon, you can shoot a powerful magic projectile to break its talon or petrify its attack. Depending on the equipment you can equip, there are many different combat techniques you can use. You can use items as weapons depending on the situation. To use the items, you can perform various actions while they are equipped. Weapons and other equipment can be equipped and used freely. You can use various weapons, as well as various kinds of offensive and defensive items. You can also have other useful items equipped, such as a companion, monster, currency, and so on. Enemies are classified by the amounts of HP and MP. bff6bb2d33

1) A fight with different difficulties

The battle system of the ELDEN RING game is the Battle of Survival, so even if you make a mistake, you can defend yourself with the other character. If there is a fierce enemy, you will get experience that you need to continue the game. If you wish to continue, you can either sacrifice another character, or you can ally a new character who is not in the dungeon to fight alongside you. By fighting

a single enemy, you can experience a high level of achievement, and in addition to the experience, you can receive items that may be useful in the future. Rageway Battle The Rageway Battle is a combination of turn-based and action RPG. 2) The battle screen In the battle screen, you can freely move the characters and establish formations. When there are multiple foes, you can choose to fight against the center
