Yajaman spent much of his life in the bars of South India, where he became an expert drinker, singer, and would-be actor, and then in the courts of higher education. After the defeat of the Dravidian movement (1978-86) he returned to cinema, directing standard genre films in Tamil and Telugu. From 1987 he directed mainly realistic dramas (and also made an epic), in which he went for urban realism instead of the rural stereotypes then prevalent in Tamil cinema. His work was regarded as seminal (and nowadays considered the height of Tamil cinema), with that of his protégés Mani Ratnam and AR Murugadoss emerging in the late 1990s and early 21st century, respectively. In 2011 S. Yajaman was awarded
